WELCOME TO GRADE A

WELCOME MESSAGE

“ **Charlene Morris**
CEO Director ”

Dear Prospective Student,

I would like to thank you for your interest in our school. Our mission is to provide each and every child with the highest quality education possible. I believe it takes a village to raise a child and our team of teachers aim to be a part of your village.

As educators, we have the incredible responsibility and opportunity of not just teaching our children but also to make a positive impact in their lives. I believe in teaching the whole child.

This means it is our responsibility to teach and to meet the needs of every child instructionally, socially, and emotionally. As Director, I promise to keep students at the forefront of every decision we make as a school. We will strive to teach and provide students with the knowledge, skills, and mindset necessary to have a successful future.

Looking forward to working with you.

Charlene Morris

VISION

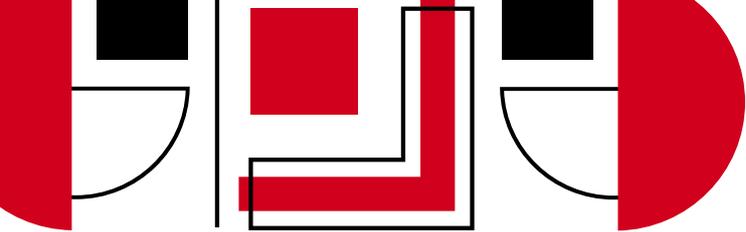

Our vision at Grade A Tutoring and Learning Centre is to empower students to acquire, demonstrate, articulate and value knowledge and skills that will support them, as life-long learners, to participate in and contribute to the global world and practise the core values of the school: respect, tolerance & inclusion, and excellence.

MISSION

Is to enable all learners' access to learning through the provision of:-

- highly effective teachers, focussed on improving student outcomes, through their commitment to ongoing professional development, quality teaching, evidence-based practices, coaching and mentoring and collaboration
- a quality inclusive learning environment that is responsive to student voice
- enriching, engaging resources and technology.
- opportunities for community and parents to participate in learning and decision making partner

OUR HISTORY

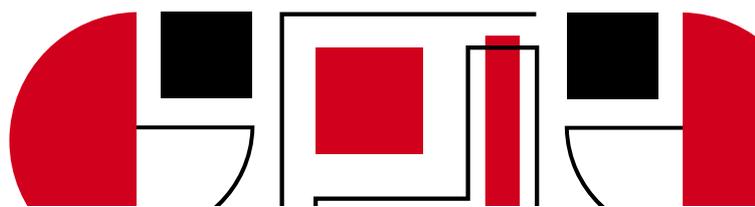

2010

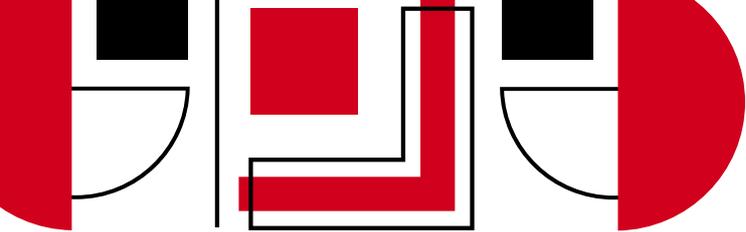

Grade A Tutoring and Learning Centre was founded in 2010 by two graduates of the University of The West Indies. At this time, the company only provided one-on-one tutoring to students.

2012

The company opened its first physical location in Belmont where group classes and homeschooling services were now offered at that location in addition to one-one-one tutoring.

OUR HISTORY

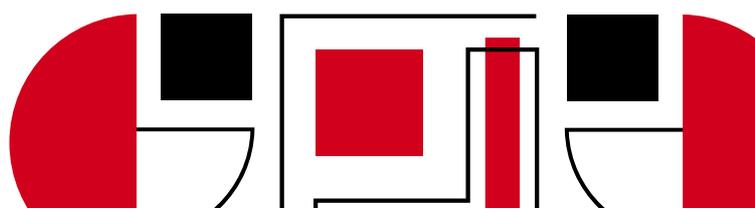

2017

The company was relocated to Baratara after serving the Belmont community for many years

2020

Covid -19 struck and the company began offering virtual tutoring services to meet the needs of its clients together with the other services that were offered before the pandemic.

ABOUT OUR SCHOOL

At Grade A we offer full-time and part-time classes for students at the primary level from standards 1 to 5. For our day classes, classes are scheduled Monday to Thursday between 9:00 a.m. and 2:00 p.m. Click [here](#) to learn more about our full-time school.

Part-time students can enroll in classes Monday to Thursday from 4 pm - 5:30 pm as well as on Saturdays. Students who do one on one tutoring can choose a day and time that is convenient for them. For info on our one-on-one tutoring service, call/WhatsApp 324-5496.

Examinations: Our full-time students who choose to write the SEA examinations are registered as private candidates and write their exams at an examination centre close to their homes. We guide you through the process every step of the way to ensure a smooth process. Those who choose not to write the examination can move on to another institution that offers these services at the secondary level.

HOW WE TEACH

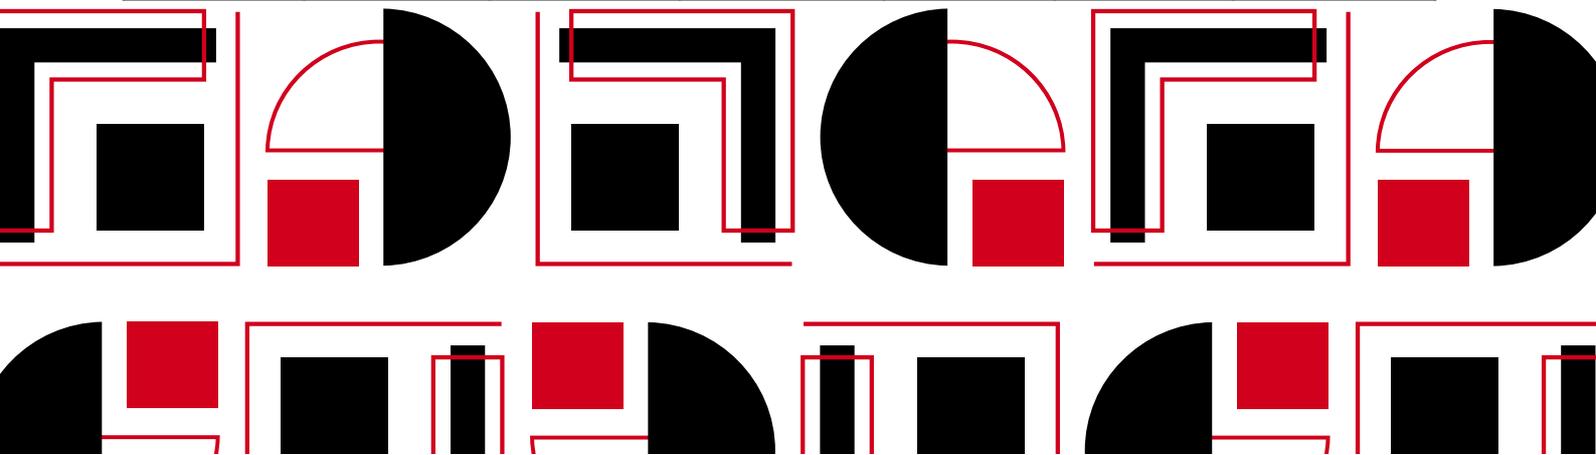

At Grade A, we aim to utilise the latest technology. Our classroom is a smart classroom that enables us to teach in-person and online classes at the same time. We utilise Google Classroom for notes which can be accessed any time by our in-person and online students as well as Google Meet to facilitate video calls with our online students.

Our classes are small which means that students get individual attention and we follow the MOE's syllabus. With our patient and caring teachers, you can be rest assured that your child is in good hands.
